

Interesting Insects Day Camp and Contest!

This program is for youth ages 8 and up that are interested in learning about entomology (the study of insects). Camp will take place on June 12th, from 8AM-Noon. During camp, youth will learn how to identify and collect insects. Look for more information on the Contest, which will be posted soon to the web site.

- Learn how to identify and collect insects
- Get an insect collecting kit (\$60.00 value)
- Compete to win awards!
- Learn about "good" and "bad" bugs

Please pre-register! There are only 25 slots available.

Name _____ Age (as of Sept 1st) _____

Parent or Guardian Name: _____ Daytime Phone _____

Does your child have any allergies or any medical needs we should be aware of? If yes, please explain. If your child is allergic to bee or wasp stings, you will need to provide medication or epi-pen at camp. _____

Please include a check for registration made out to **Jackson County 4-H** for \$20.00. In return, your child will receive \$60.00 worth of equipment and supplies.
